 ###New Prices and Registration Process Took Effect November 2016###

Because the Aquatic Center is part of the CISD Aquatic Center and the high demands of our lesson program, priority for registration will be given to in-district families for the 1<sup>st</sup> hour of each registration session. After the 1<sup>st</sup> hour, swim lessons spots will be open to all families. If you live outside of the CISD boundaries and register early, your payment will be refunded and you will go to the bottom of the waiting list.

Swim Lesson Fees will also increase starting with the November Classes. Below are the new fees.

## ***New Prices as of Nov 1<sup>st</sup>, 2016***

## ***SWIM SCHOOL POLICIES***

We ask that parents leave the deck area during swim class. We find that children are far more attentive and susceptible to learning the new skills if parents are “out of sight, out of mind.” There is spectator seating located upstairs if you wish to observe the classes. Other children must not be in the deck area and must be supervised at all times.

No make-up classes are offered. Space is held with payment only. Concurrent enrollment is not insured without payment and registration is based on space availability only. We reserve the right to cancel or consolidate classes when minimum enrollment numbers are not achieved.

Refunds are only afforded when we cancel and the student cannot be rescheduled to a time that is convenient. We offer credit letters which may be applied to future sessions in cases of extended illness or injury.

**Our DRAGON SWIM SCHOOL** has 10 well-defined levels that are represented by “graduation stickers” to the next level in the system. This system allows us to reward the child’s efforts at every phase of their swimming progression and build their confidence and desire to progress. We are committed to teaching the proper stroke mechanics from level one. Our program coordinators will “graduate” your student at any time during the session as spot testing determines that they are ready for the next level. Your child will receive a certificate stating current skill level at the beginning of the session and are encouraged to bring certificate each class. Swimmers will level up as they progress.

- **Pre-School classes ages 3-5**
- **Children – Ages 6 & Older**
- **Mom & Me – 6 months to 2 years**

The Mom & Me class promotes water adaptation and water safety. The parent will learn the skills necessary to teach the child how to be safe through basic swimming skills with toys and games. Swim Diapers are required for children that are not yet potty trained.
